## *and Respect to Mr. John Hyma*

When we first heard that we were going to have a new principal here at Wilson, we were all a little worried about what kind of person would be appointed to run our school.

But, within the first few weeks of his administration Mr. Hyma had set us all at ease. To show how important Wilson was to him, he encouraged students to take pride in their school by coordinating several beautification days in which students, parents and even Mr. Hyma himself all chipped in and worked hard to help improve the appearance of our campus.

This gave the students a new

feeling of confidence and trust in him.

This is why we, the 1980-81 annual staff, have chosen to dedicate this treasured book of memories to him, Mr. John Hyma, in commemoration of his first year here at Wilson High School.

## "Blasting Into the Eighties!!"

Homcoming has always been an event that the Wilson students have looked forward to, and is considered by many to be one of the highlights of the school year.

The week leading up to various activities which took place the week before Homcoming in order to get the student body more involved and to increase school spirit. The flourie chase, pie eating contest, root beer slug-a-lug and urban combat day were only a few of the activities in which the students participated.

On October 27, 1980, the Hacienda District Stadium was more crowded than usual, for this was the night that the Wilson Homcoming was to take place.

The Wildcats, whose record was 3-4, were pitted against Walnut, another high-ranking team. Towards the end of the second quarter, Wilson was trailing 6-13 when the ball was intercepted by Jeff Nettek, who ran it back sixty yards for a touchdown. This gave the team new hope and the crowd became more and more excited, not only because of the touchdown, but also because it was almost time for the Homcoming activities to commence.

Half-time began with a parade of floats which brought cheers from the crowd, each person hoping to win first prize.

It was a close competition, but the judges decided that the float which best captured the theme "Blasting Into the Eighties" was the Junior float which took first prize.

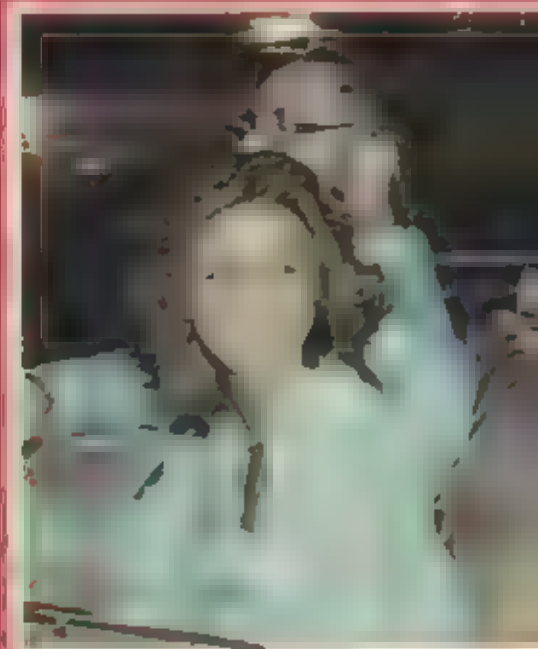

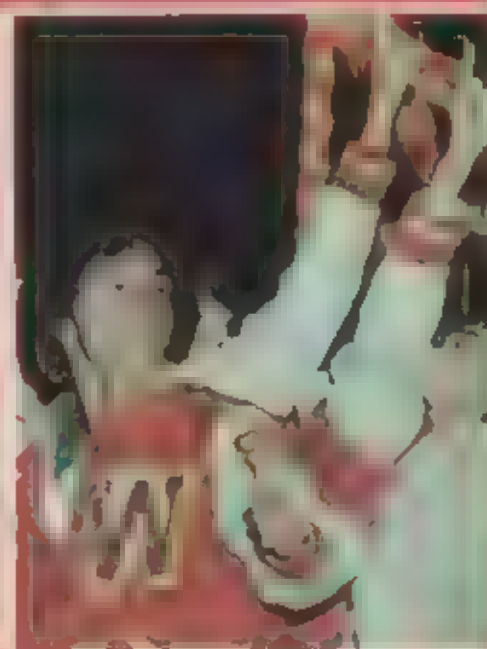

The Princess was driven around the stadium and then reverted up onto the platform by their proud fathers, where they awaited the announcement of the next Homcoming Queen. A few moments later, the name "Kellie" was lit up in a beautiful array of fireworks while the newly crowned queen was congratulated by her father, the princess and her court, queen Mandy Campbell.

The game continued, but Wilson was unable to score against Walnut, and the game ended with a final score of 16-13. But even with the loss of the game, everyone involved still agreed that the 1980 Homcoming was successful and an evening to remember.

## Go Big Red!!

Every school has pride and spirit, but there is something about Wilson's that makes our school special

The senate worked especially hard in order to get the students interested and more involved in school related activities. They held several successful dress-up days and a number of activities which encouraged students to take pride in their school and to have fun together as a group

The rally squad also did their part in helping to increase the student body's pride and enthusiasm. The cheerleaders and songleaders got the students "fired up" at rallies and at games and really helped to increase the Wildcats enthusiasm, pride and spirit.

But although these and many other groups on campus do a lot to help boost school spirit, they would not be able to do so alone. For it is *you*, the student, who is the spirit of Wilson High School

# *"Prime Time" for Wilson Drama*

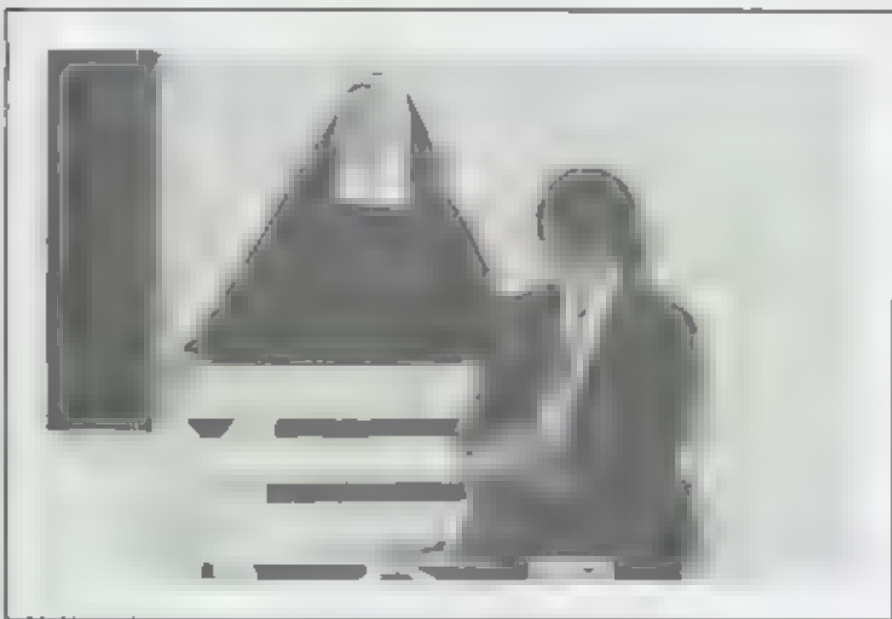

"The Prime of Miss Jean Brodie" was the Fall play chosen by instructor Dona Hill to be performed by the Century II players, a group of students interested in acting and in theatre production. Although Ms. Hill said that she received more compliments on "Brodie" than any other play the drama department had ever put on, she said that it was one of the hardest she had done. "Editing created a big problem," said Ms. Hill. "I had to cut a two-and-a-half hour play down to an hour-and-a-half in order to keep the attention of the audience."

The play told the story of an extremely unconventional woman who taught at a girls' school in Scotland during the late 1930's. Brodie, who was idolized by her young pupils, believed that art, beauty and music were much more important than the traditional three R's. She dedicated her life to telling "her girls" about famous artists, composers and especially of her personal experiences with the various men that she knew, which kept the girls' attention for hours.

As time passed the girls grew older, but still remained captivated by Jean, except for one 16 year-old who had become involved with the school's art teacher, a married man who was desperately in love with Brodie. The girl's jealousy of her teacher became so intense that she devised a scheme to ruin the woman and set in motion an inquiry about Brodie's political involvement with fascist groups which resulted in Jean's being found guilty of treason and deported from the country. The loss of her teaching position, which was her entire life, and the realization that one of her own girls had betrayed her, crushed Brodie and completely destroyed her.

The play was performed the 15, 16, and 17 of January and received many compliments on the acting ability of the students and also on the excellent set and scenery, which was designed and constructed by art teacher Jeff Murray. Congratulations to the Century II Players and everyone else involved with the production of "Brodie."

# Signs of the Times

The year of 1980-81 brought many changes to the U.S. The election of a new president, which was a "New Beginning" and brought the country a certain amount of renewed hope and pride; draft registration and the possibility of war with Iran, the untimely death of a rock star and the unusual threat of a volcanic eruption, were only some of the major occurrences of the year. These events, though we've all heard about them time and time again, effect us now and will continue to do so in the many years to come.

# B of A Award Winners

Since 1948, the Bank of America has commended high school seniors for outstanding academic achievement and gives them the opportunity to compete for cash prizes at state-wide competitions. Students, who are chosen by faculty committees, advance to semi-finals where they are judged by panels on their participation in group discussions. Winners in the semi-finals proceed to ten state-wide regional final competitions and after the final selections are made, the top prizes of 2,000 dollars are awarded at banquets sponsored by the bank.

The Wilson students chosen to compete in the competition include, *Opposite Page, Top Left* — Julie Douglas, Vocational Arts, *Top Right* — Ricky Riccardo, Fine Arts, *Bottom Left* — Susan Cheng, Liberal Arts, and *Bottom Right* — Greg Wong, Science and Mathematics

# Stubborn Donkeys and Teachers

Galloping across the court, an unmounted donkey chased by its so-called "rider," was a common sight on November 7, the night the annual Donkey Basketball game was held.

Sponsored by the Lettermen's Club as a fundraiser, the game pitted the traditional student and faculty teams against each other. Students earned the right to ride in the game by selling tickets to the event while the faculty team was simply made up of volunteers from the teaching staff.

The student team managed to outmaneuver and out score their opponents during the first half of the game and it seemed to everyone that they were assured the victory. But as everyone knows, teachers can be very persistent and are not known to give up easily. After many spills, bruises and hard knocks, the faculty team, once again led by Mr. Dobrenen, pulled ahead and regained the title with a final score of 42-32.

Congratulations to this year's champs, and also to the student team. (Better luck next year, fellows!)

## City Slickers Go Country

Guys go through a lot of doubts and second thoughts when it comes to asking a girl out, but the roles were reversed during Sadie Hawkins week, March 9 through 13. Traditionally, this has always been the week for lunch time activities such as the root beer chug-a-lug, tug-o-war and the watermelon eat off, this year being no exception. Everyone had a great time participating in these activities, but the most popular by far was the fairly new "Hired Hand" day in which students were "auctioned off" to other students by Mr. Rieckwald. The "slaves" then had to carry books, run errands or just do whatever his or her "master" commanded for an entire day.

Although these activities were enjoyed by the students, nothing compared to the big dance which was held in the gym on Friday night. Next to the Junior-Senior Prom, the Sadie Hawkins is the most popular, best attended dance at Wilson.

All the girls were there with the guys of their choice and everyone had a lot of fun dancing, talking with friends or just checking out the latest and craziest hillbilly fashions.

Bids were \$7.00 for couples and \$5.00 stag, which included refreshments and the music of the Theme Tots, a local New Wave group. Of course, the traditional jail and kissing patch were there, along with the chapel where couples could be married by Reverends Dobrenen or Massey for the small fee of 25c.

**Laura Griego** — "I didn't care what happened as long as my date and I had on matching shirts."

**Petter Forberg** — "I'm glad Mr. Dobrenen wasn't a real priest because I'd hate to be married to her."

**Sandy Bouman** — "The chapel was fun, I fell off the stairs when I got married, but the best part was watching my "baby" brother getting attacked in the kissing patch by his date."

# Beauties Turn Into Beasts

On a drizzly, overcast Tuesday in February, the junior and senior girls met head on in the traditional Powder Puff football game. The senior team, who was victorious as last year's juniors, were very confident and sure of the win. But this did not in any way effect the performance of the juniors, who played an excellent game and really gave the seniors a run for their money. Unfortunately, neither team was able to score and the seniors were proclaimed the winners in sudden-death overtime, when they managed to run more yardage than their opponents.

# Balloons, Cotton Candy and Good Times

Sounds of laughter, screams of delight, loud rock music, and the other familiar sights and sounds of an amusement park filled the air as students, faculty members, friends and family gathered on the blacktop north of the campus to enjoy rides, game booths and the good food of the second annual spring carnival, held April 3 through 5. The carnival was attended by an estimated 7,000 spectators and was by far more successful than last year's carnival, making almost \$19,500.

The members of over twenty clubs worked long, hard hours operating such booths as the dime pitch, shooting gallery, baseball throw and selling hot dogs, won ton, baked goods and other delicious things to eat. Two of the most popular booths were the dunk tank, run by the swim team, and the Korean Club's booth, which sold oriental food.

Besides the rides and booths, spectators could enjoy the music of such local rock groups as Arabesque, Riff Raff, Baroque, Ocean and others, who all competed in Battle of the Bands, a new attraction added to the carnival. Another popular activity was Bingo which was played in the gym after the bands quit playing and made an estimated \$1,800 for the ASB, football and band boosters.

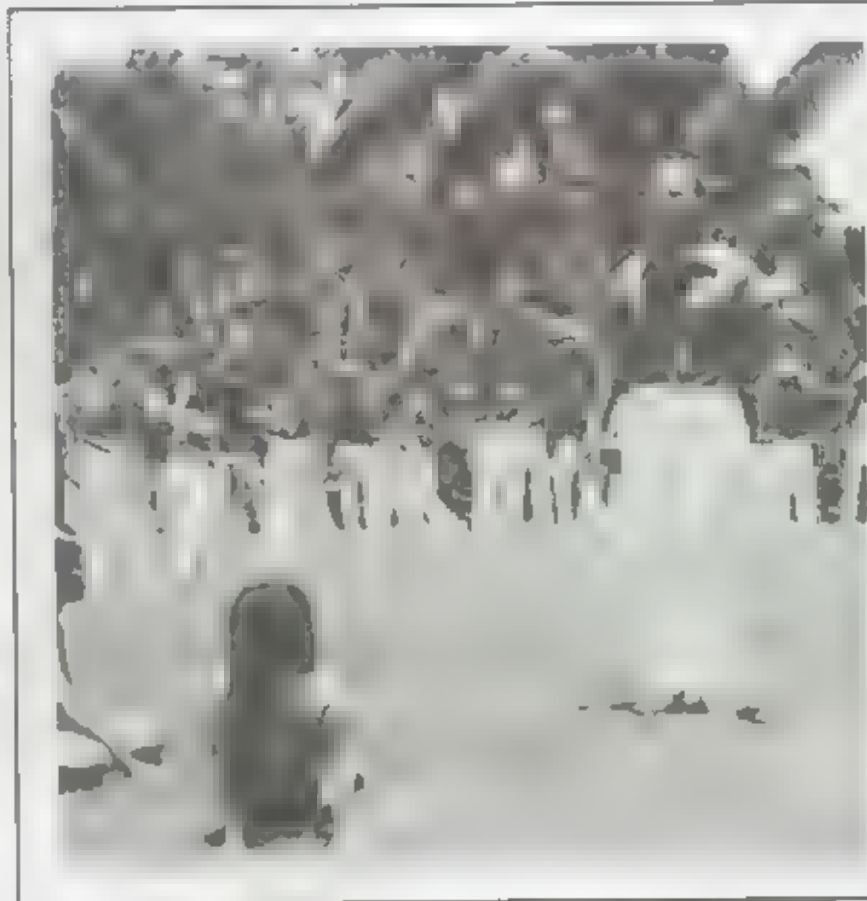

"I thought the carnival was really fun," said Petter Forberg, one of the school's foreign exchange students. "It was a great way to spend a weekend." His comment seemed to best express the feelings of many who attended the event.

# Cats Go Hawaiian

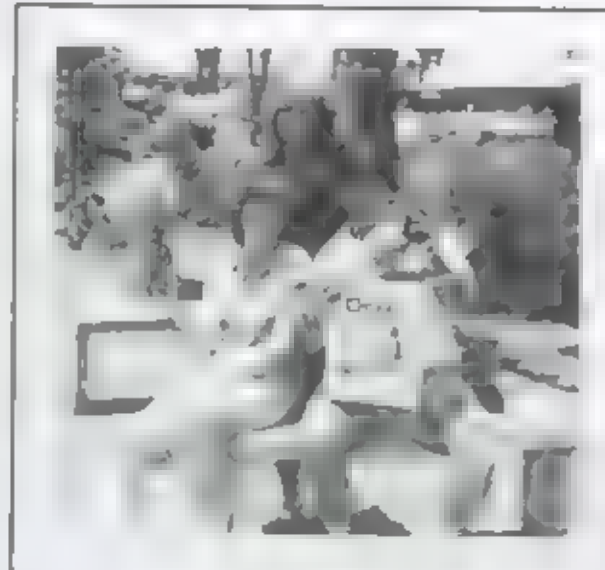

Every summer after school lets out, many Wilson students and their families pack their bags and go on vacation. Our marching band and tall flag unit is no exception. This summer, on June 24, about eighty band and flag members, accompanied by twenty-three adults, went to the Hawaiian islands for a ten day "holiday."

The group spent five days in Waikiki on the island of Oahu and the remainder of the trip on the main island of Hawaii itself. Aside from giving a total of six outdoor performances and marching in a parade in the city of Kona, the students did the things that are usually done by Hawaii's many tourists. They spent their free afternoons enjoying the island's beautiful weather, taking several sightseeing tours to Pearl Harbor, Honolulu, Hanauma Bay, Volcanoe National Park, just to name a few.

The group also spent a lot of time at the beaches, shopping at the "special" stores that can't be found on the mainland and generally just having a great time. And despite a few sunburns and a couple of homesick kids, everyone who went will remember this special trip for years to come.

## The Best of Times

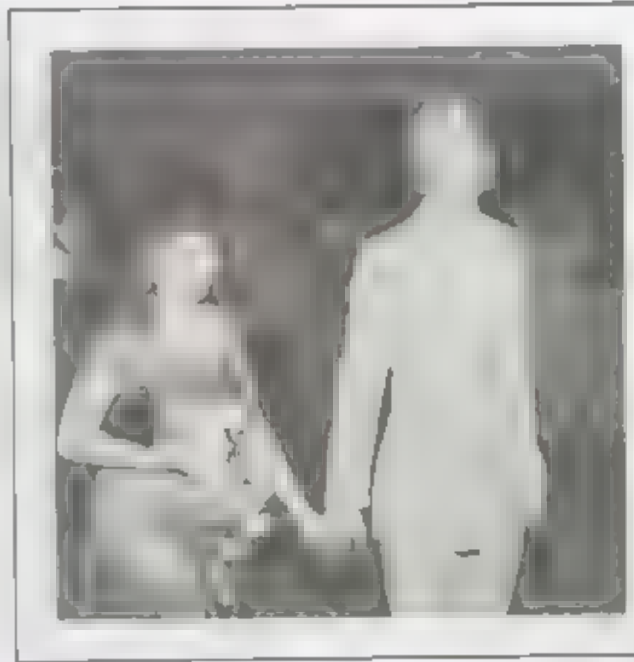

A night filled with laughter, good times and romance is how most people envision their Junior-Senior Prom. Held Friday night, April 10, at the Registry Hotel in Newport Beach, the Prom was attended by over two hundred couples, many who felt it was the highlight of their high school years.

When it was announced that the bids would be \$41.00, many couples were reluctant to go. However, most students agreed that although \$41.00 was a lot, it was not too steep a price to pay for all the memories that would be made.

The band performing at the event was Surge, a talented group which played various types of music throughout the evening. After a delicious dinner had been served, the Junior and Senior courts were announced naming Lisa Formino Junior Princess and Kellie Daughenbaugh Prom Queen. This is the first year in Wilson's fifteen year history that the same girl has been named both Homecoming and Prom Queen.

As the evening drew to a close, the couples crowded onto the dance floor and danced to the band's version of Styx's, "The Best of Times," the theme of the Prom. This ended the evening on a high note and everyone agreed that the Prom will always be a night to remember.

# Cats Dominate in Pre-Season but Falter in League

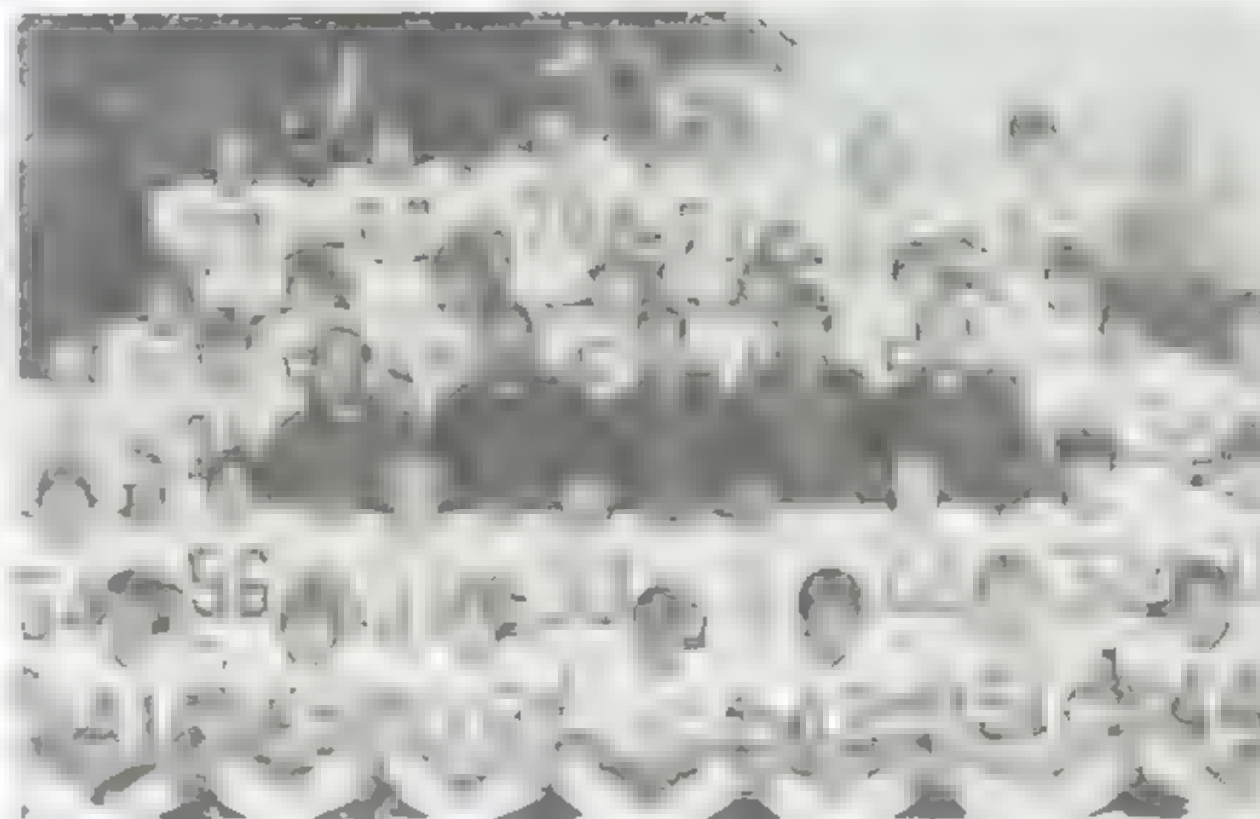

The Wilson Wildcat 1980-1981 Varsity Football Team had its share of ups and downs during the course of the season. Led by Senior Tailback El Cid DeRamus, Quarterback Chris Kemple and Wide Receiver Bill Sherman. The Cats rolled to a 5-0 record.

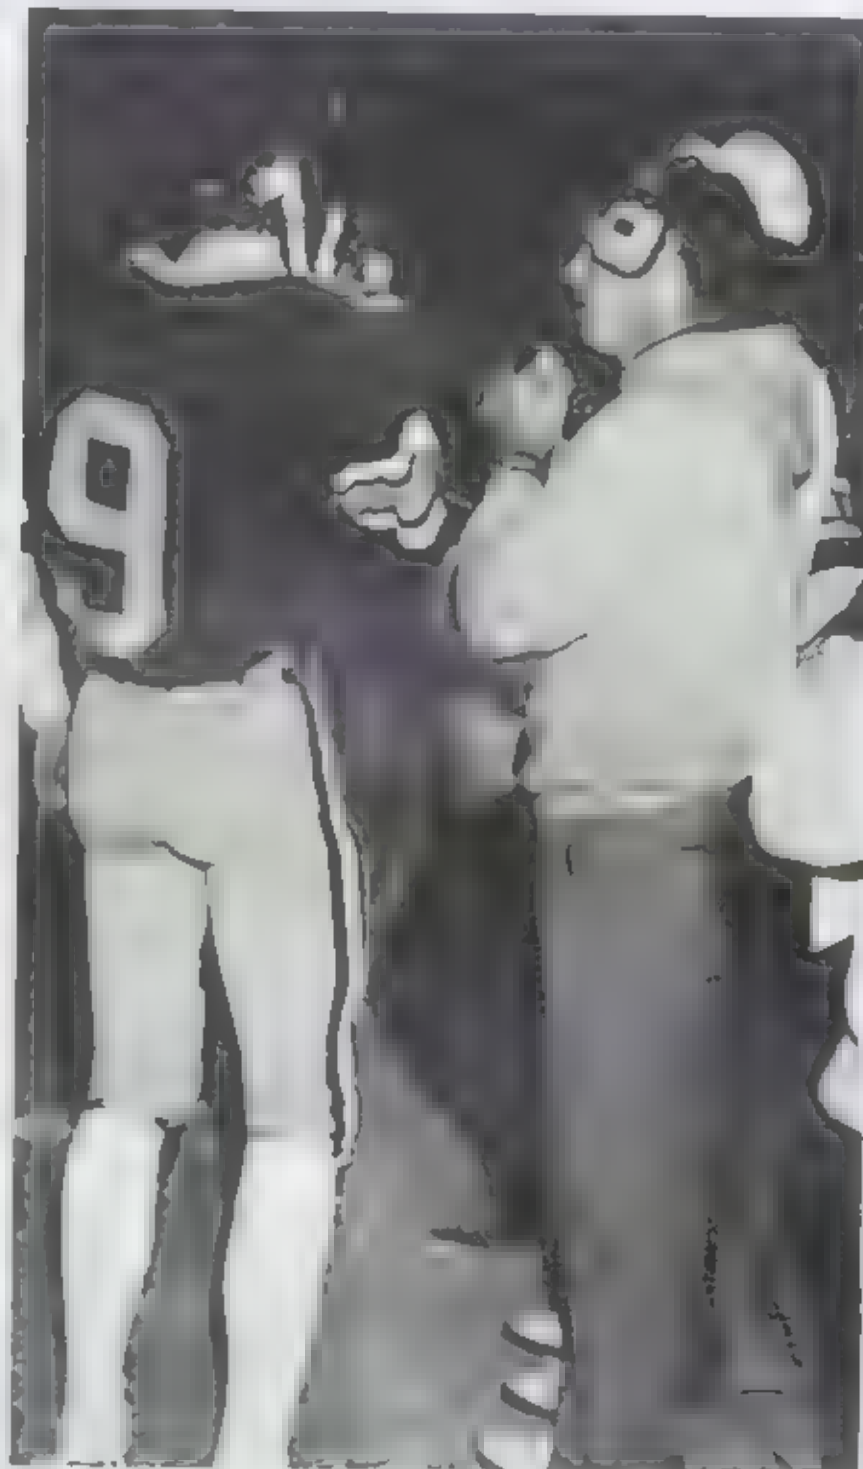

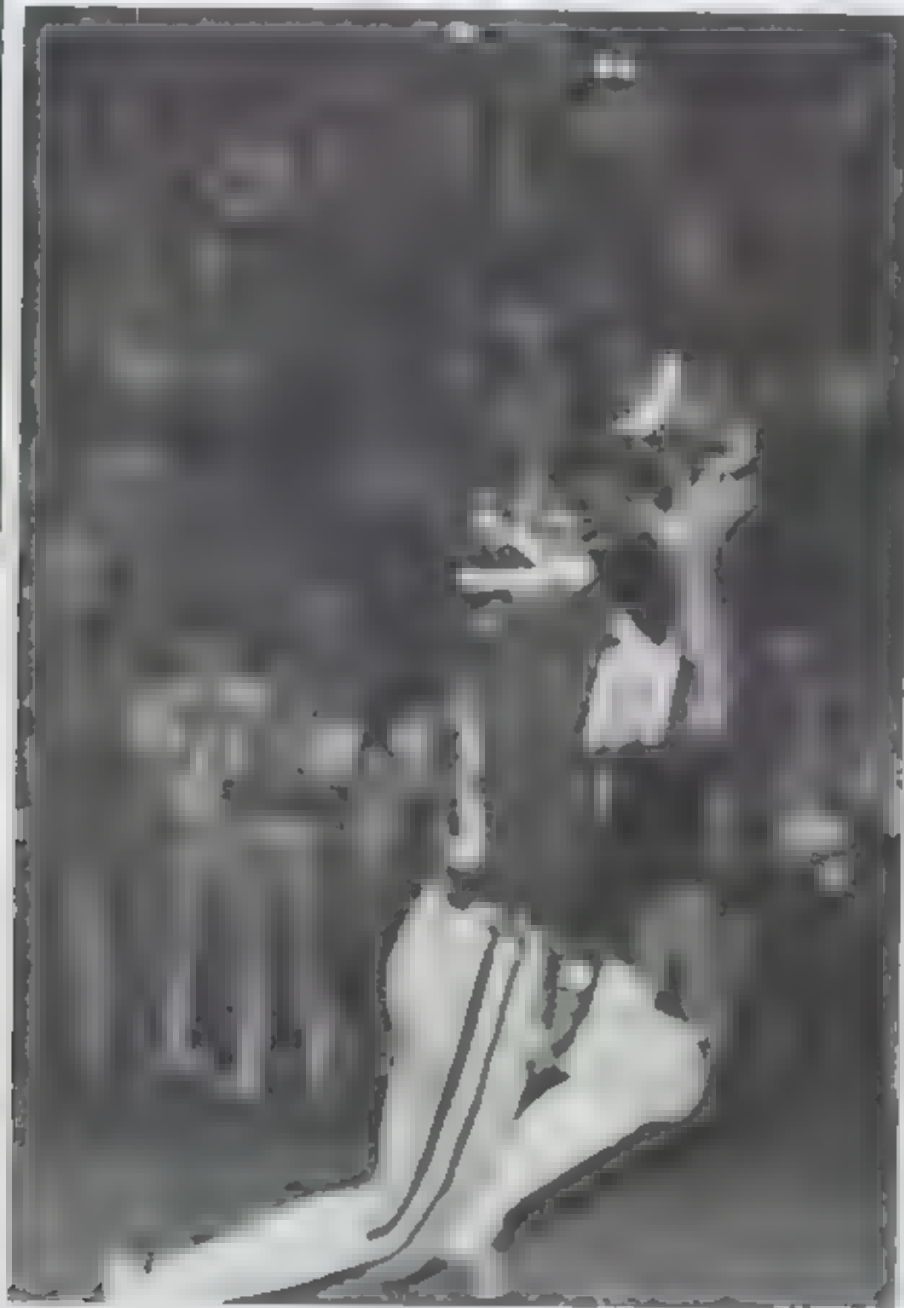

During pre season the Wildcats looked unbeatable with their high power offense and their stunning defense. Opening against La Habra, the team rolled to a 23-7 victory. Next came Workman and the Cats were on the prowl as they breezed to a 35-0 triumph. Sonoma was the next victim of the Wildcats with a score of 35-8. But then Arcadia put the Cats to the test; the team squeaked out a 9-3 win. The Wildcats then rolled all over helpless Whittier 45-0.

Going into League finals many anticipated the team would take the crown, but when they came up against an aggressive Walnut team, they stumbled with a 21-7 defeat. Many thought the loss would bring the team back down to earth after such a tremendous start, but the Cats committed numerous turnovers against West Covina and lost 39-13.

The Wildcats got back on the winning track against Edgewood, with a 14-8 victory. The following week against Rowland they came away with a 22-0 blitz. That set the stage against crosstown rival Los Altos. It was the final game of the season for both teams, but the Cats needed a win to assure a CIF playoff berth. The game was to be the highlight of the Wildcat season. The first half was pretty much a defensive battle with Los Altos scoring only 7 points. Then in the 3rd quarter, Wilson pulled off a fake punt and turned it into a first down. Six plays later the Cats knotted up the score at 7-7, but that was all that Wilson could manage and Los Altos won going away 28-7. While the team did not make CIF many of our fine athletes were selected to All Sierra League Teams.

## Goal: Hard Work. Results: Sierra League Title

Wilson's Junior Varsity was a young team, but far from inexperienced. The Wildcats ended the season with a perfect record of 5-0 in League and 9-0 overall, with the Sierra League Title. Their biggest test came against crosstown rival Los Altos. Both teams went into their final game of the season undefeated.

With the Sierra League title on the line, each team felt the pressure, but the Cats came up with the key plays and prevailed with an exciting 22-15 win. This great young Junior Varsity squad handed Wilson its second J.V. Sierra League Championship Title in less than three years. Next season promises an outstanding and experienced Varsity Team.

## Varsity Runners Sprint Past Opponents

Led by Juniors, Ken Souza, Mike Milton, and Cliff Marticorena, the boys' Varsity Cross Country Team had an outstanding season. They finished 2nd with a 5-1 record in the Sierra League. The outstanding runner of the Sierra League was Ken Souza. He captured first place in League Finals with fellow teammates Mike Milton and Cliff Marticorena placing fifth and ninth respectively. When C.I.F. rolled around, Souza was among the leaders when he suffered an ankle injury causing him to finish seventh overall. Since none of the runners are seniors, they will all be returning next year. The team was Wilson's best since 1976 when they won the Sierra League Title.

# J.V. and Frosh-Soph Post Good Times

Both this year's J.V. and Frosh-Soph teams wound up with winning records. The J.V. team had a 3-3 league record which was third place finish. On the other hand, the Frosh-Soph Squad had a 5-1 record which put them in second place. Outstanding runners for J.V. were Paul Weiner and Joe Montejano. On the Frosh-Soph level Jim Ruffalo was the standout coming within seconds of shattering the Frosh-Soph record. Runners from both teams should be good prospects for next year's varsity team.

## Wild Kittens Struggle Through Season

Due to youth and inexperience, the girls' Varsity Cross Country Team had an unsuccessful season. Despite their Sierra League record of 1-5 the girls displayed good times throughout the course of the season. The top runners were Most Valuable Yvette Cantu and Junior Ellen DeGroeve. Since the team was very young, all underclassmen will return next year and will hope for a better season.

# Girls Show Sign of Improvement

The Girls' Tennis Team had an overall season record of 9 wins and 9 losses with a 6-9 record in the Sierra League. It was a fourth place finish, however, four of the girls went into the Sierra League Individuals playing doubles.

Sherri Moore and Karen Kirschenbaum took third place and the bronze medals. Nancy Allison and Kelli Hoffer captured 1st place and the gold medals with the right to represent the Sierra League in the C.I.F. Sectional Competition at Arcadia Park on December 6.

They played their best tennis in a long time winning the first 3 rounds against strong competitors from La Canada (8-4), Burroughs (8-4), and Redondo Beach (7-6, 6-2). Then the girls ran into trouble in the quarter finals losing to Cerritos (3-6, 3-6).

Sheri Moore and Karen Kirschenbaum were nominated by the coaches for All Sierra League 1st team because of their 39-3 record in league play, and Nancy Allison and Karen Kirschenbaum to All Sierra League 2nd team. The team had good support from Kris Parodi, Delina Delgado, Connie Smith, Susan McCraig and Noreen Ward.

The season ended with a banquet at the Velvet Turtle. The Varsity MVP Award went to Sheri Moore and the Most Improved Player Award to Kris Parodi. Other Awards were a 4 year pin to Nancy Allison and Manager Award to Mando Mikhail.

# Girls Try for Winning Season

# Girls Spike Way to the Top

A very exciting and competitive team was the trademark of the Varsity volleyball team led by Seniors Kristy Olson, Lori Scroggin, and Erin Noone. The Cats soared to a 2nd place finish of 12-3 in the tough Sierra League. The combination of setters Lori Scroggin and Paige Neuberger along with spiking ace Kristy Olson proved to be a lethal weapon during the course of the season. The three losses the team had were all against League-leading Walnut. The highlights of the season were 3 victories over crosstown Rival Los Altos.

# Cats Put Up Struggle in C.I.F.

When CIF rolled around, the girls went up against a rough Kennedy team. The first of three games was a seesaw battle between the two teams. Each team made key plays during the game, but the spiking of Kristy Olson enabled the Cats to down their opponents 17-15, but the emotional strain of League Finals proved too strong to overcome and the valiant Wildcats went down in defeat with scores of 8-15, 12-15 in the final two games. This season proved to be one of the most memorable seasons for girls' volleyball at Wilson and will hopefully be carried out through years to come.

**Top Right** — Kristy Olson spikes the ball over the net while Paige Neuberger watches. **Bottom Right** — Team setter Lori Scroggin sets the ball. **Bottom Left** — Erin Noone uses a dink shot to get the ball past Spartan opponents.

# J.V. Has Tough Season

Due to lack of experience, the girls' Junior Varsity Volleyball Team had a very rough season. The Wildcats could only manage 4 victories against 11 defeats. Despite their unsuccessful record, the Cats will have gained more experience for next year's season.

**Top Left** — Wildcats want to attack opponents serves. **Top Right** — Judy Nunes gets set to serve an ace. **Middle Left** — Coach Cavezza gives his team a pep talk. **Middle Right** — Jenny Luker returns a serve as fellow team mates look on. **Left** — **Front Row: L to R:** Donna Lau, Jackie Martinez, Janet Baba, Valerie Pease, Laurie Yocum. **Back Row: L to R:** Maureen Cruz, Judy Nunes, DeeDee Soriano, Debbie Hugget, Jenny Luker, and Tammy Preston

# Cats Keep CIF Tradition

For the past few years, the Wilson Water Polo Team has participated in post-season play — CIF. The Varsity team played Milliken in the first round. Through a hard-fought battle, an exciting high scoring game came to an end with a disappointing loss for the Wildcats. The final score was a close 12-10.

The Cats got to CIF by finishing third in the tough and competitive Sierra League. The team, led by Captains Frank Gagne and Joe Calvelli, along with Junior teammate Tony Jaramillo, beat Rowland twice and ended up with a 2-4 record.

The success of the team did not end with the season. Three members, two seniors and one junior, were selected to second-team Sierra League. These players were the above mentioned Frank Gagne, Joe Calvelli and Tony Jaramillo.

Next year's team, though inexperienced, are hoping for another successful season.

# Title Belongs to Frosh-Soph

The Sierra league Frosh-Soph Water Polo title went to the Wilson team. The team coasted to the title with ease.

The players' determination and pride, and the enthusiasm of Captain Walter Royale, helped them to have a very successful season. The team, which played a strong game all year, shows many outstanding players for the future Wilson Varsity teams.

# Disappointing Season for Wildcats

1980-1981 Varsity Wildcat Basketball Team was very young and inexperienced. With no returning Varsity players, the squad was mostly composed of Juniors and only a few Seniors. Led by Mike Russell, Ted Garay and Kevin Kendricks on the front line, the team had a solid scoring attack as well as rebounding

In the backcourt was Brian McMurray and Jack Bloom. Coming off the bench the Cat's had some good depth. Troy Stromme, Ray Gutierrez, Hermann Sotomayor and Mickey Coons provided the necessary boost. Coached by Mr. John Crowther, the team finished with a league record of 0-10 and an overall record of 5-17.

The first half of most games were the best for the Wildcats while during the second half the other team usually pulled away to victory. Though their team record did not show it, the Cat's played all their opponents tough to the end

While losing only four seniors to Graduation next year's Varsity Team promises to be improved and exciting.

# J.V. and Sophomore Teams Triumph

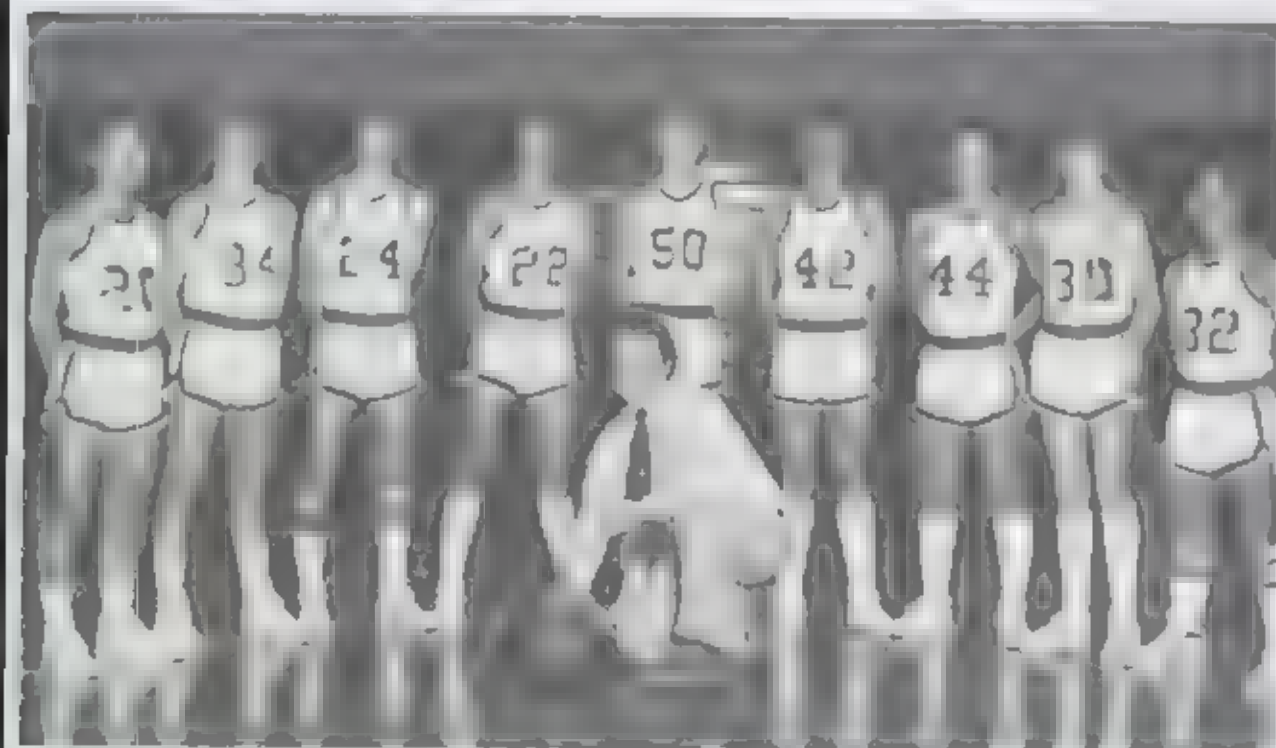

The J.V. and Sophomore Teams had respectable seasons. The J.V. Team led by David Nicassio, Tom Janichien and Steve Chen had a 5-5 record in the Sierra League. On the Sophomore level, the team played very well under Coach John Dobrenen. They had a League record of 8-2 and an overall record of 12-5. Coach Dobrenen commented how the teams success was attributed to the "starting 6" who were Brent Bailey, Mike Reinberger, Art Andrade, Dave Wilson, Carlo Niguidula and Todd Saldana. With these promising players returning, next year's team looks to be an impressive one.

The 1980-81 Freshman Basketball Team had a terrific season. Led by Andy Nicassio, Scott Kemple and Albert Tan, the Freshmen had much success against other League teams. They finished in 1st place in the Sierra League with a 9-1 record and an overall record of 17-4. Throughout the year the team continued to improve on defense as well on their devastating offense. Their only loss in League was to Los Altos early in the season, but revenge came on the last game of the season against cross-town rival — Los Altos. The Cat's pulled out to an early lead and extended it to 38-28 at the third quarter mark. Los Altos then made a comeback and came within three points but then the Wildcats pulled off a 57-52 victory.

# Wildcats Seek Another League Title

The Varsity Soccer Team will hope to retain the Sierra League Title they won last year. Returning lettermen Berto Lua, Hadi Khandehroo and Tony de la Rambelje will lead the Wildcat attack. The Cats hope to uphold the Wilson tradition of league winning seasons. The title will be no easy task for the Wildcats.

Against Los Altos, the team took a 2-1 lead at half time but did not score again as Los Altos squeaked out a 3-2 victory.

Coach Schlesinger commented on how the team did not play with the killer instinct that they are known for. While most of the team are seniors, the Varsity Team next year will be young but experienced.

# Wrestling Vies for League Crown

Wrestling at Wilson has become a major contender for the Sierra League title these past few years.

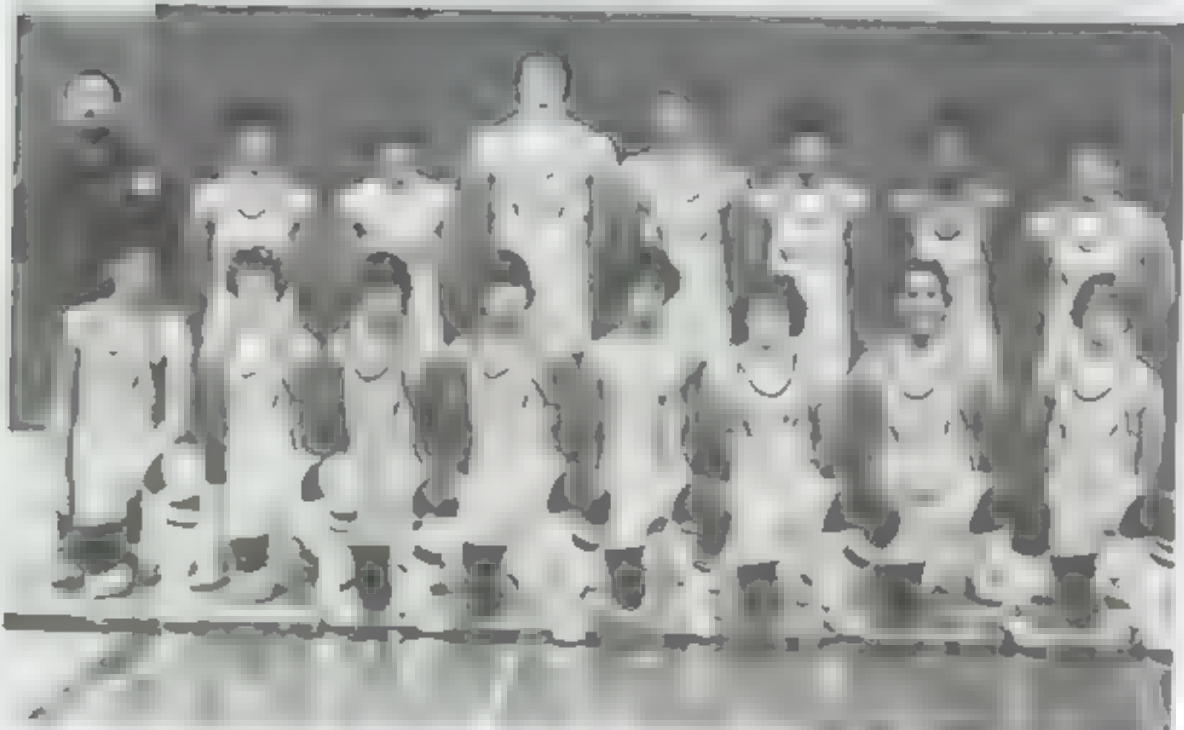

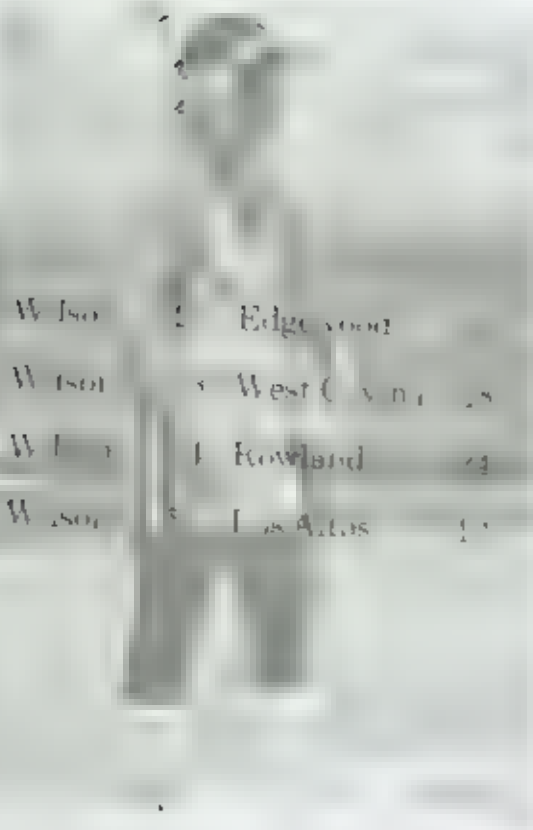

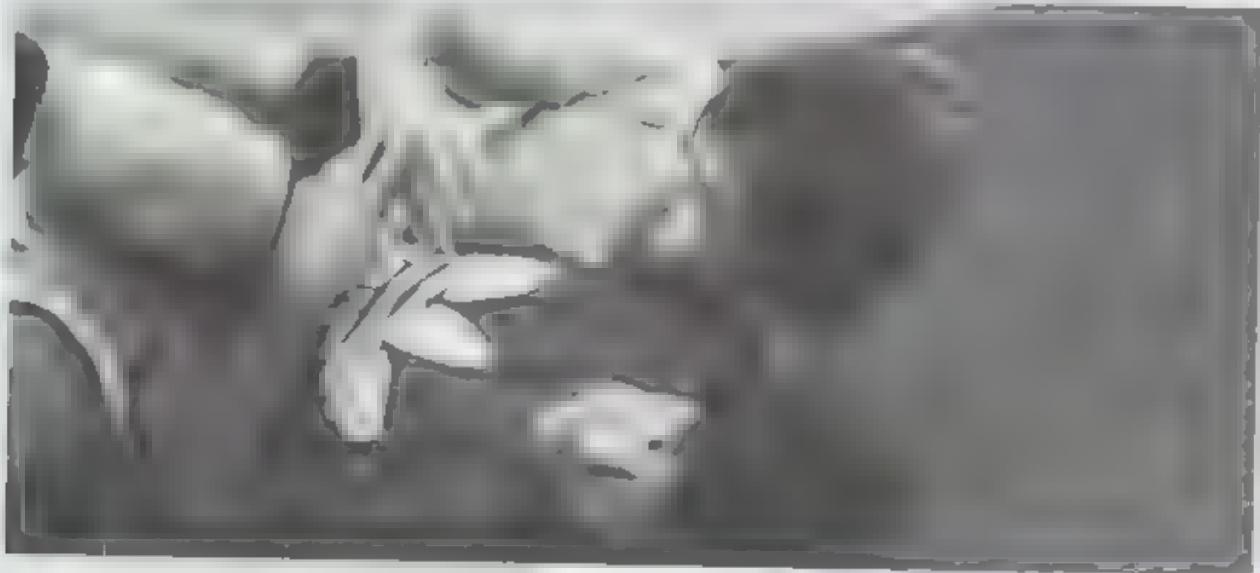

At the time of printing, the Varsity Wrestling Team was tied for first place with a 12-2 record in league with two matches remaining.

Coach Fair said that the team should win its last two matches and become co-champs with Rowland for the Sierra League title. The reason for such a successful season is the outstanding efforts of its individual members, such as David Cevera (14-6), Rick Ochoa (12-4) and Dan Van Brabant (12-4-1). But the most impressive records come from the leaders of the team, Rick Volpe (15-0) and Joe Montejano (19-0).

Next year's team should be as successful as this year's team since there are many returning juniors.

## Improvement Over Last Season

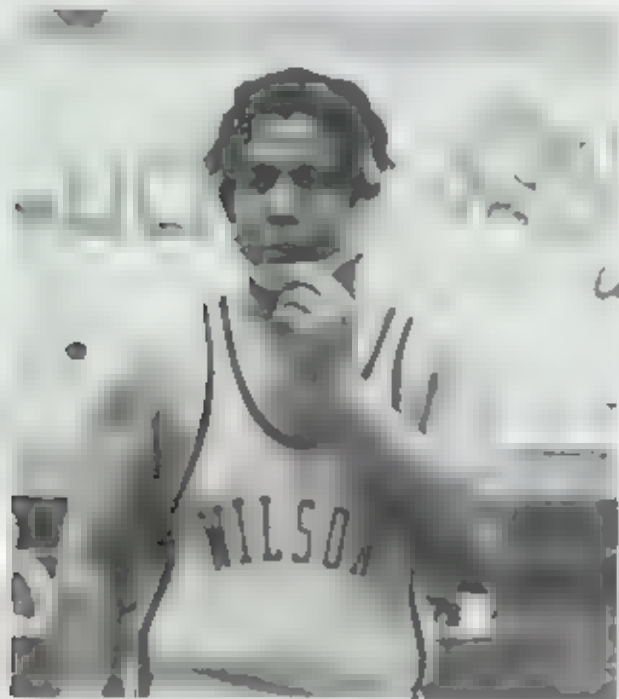

Wilson's Junior Varsity Wrestling team is having a far better year this season than last year. At the time of this printing, they were 12-2 in league with only two matches left to play. The team will therefore capture at least a second place in league.

The Junior Varsity team was led by Wilson Wilbur Escalante (14-4) and Jeff Rhoades (12-4-2). The members of this team should contribute heavily to next year's Varsity team.

# Off to a Great Beginning

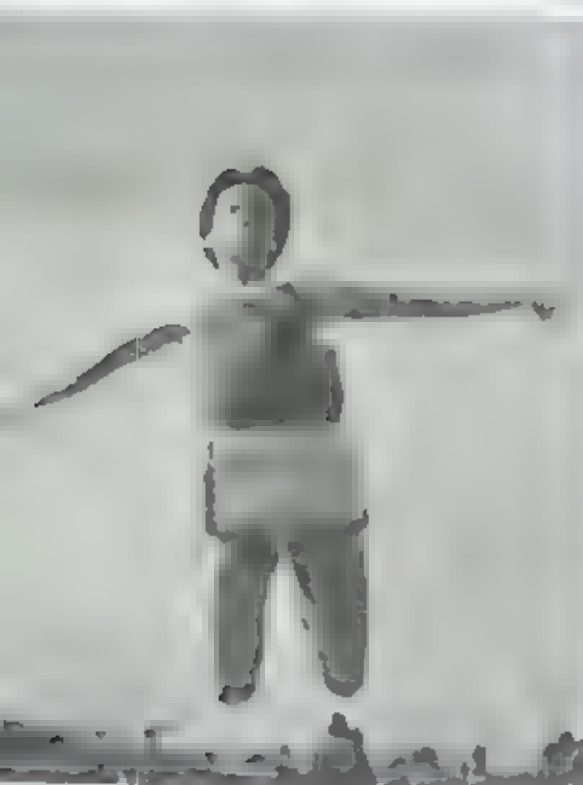

The 1981 track season promised to be the best ever!

With the largest team ever to compete, Mr. Cole Foster said there are some great returning performances. In the 330 Low Hurdles Kevin Orcholski is a returning Wildcat with a 41.9 time. The relays were mainly composed with the experience of Aaron Giles, John Fernandez, Dave Garcia, Scott Rowlands, and Chris Bolano. The sprints look good with a potential record to be broken in the 440 with a sub 50 performance. The distances could also be record breaking with returning 2 mile league champ Ken Souza with good back up with Mike Milton, Paul Weiner and Rick Villasenor. Our Decathlete, Ken Prather will pick up the slack in the 120 high hurdles and also has a 13 foot returning performance in the pole vault. Kevin Carsey gave added strength in the pole vault and shot put. The weight events were led by Don Newton with excellent performances in the shot put and discus. The triple jump will be strong with 40 foot plus performances from Dave Flores. The long jump will be strong with performances from Scott Rowlands and Greg Dickinson who are both 19 foot plus jumpers. Our foreign exchange student, Petter Forberg has done 6 feet 2 inches in the high jump and he will be backed by juniors Ken Pawlowski, Al Preciado and Andy Chu. The lower divisions will be led by Todd Saldana, Tom Murphy, Matt Miyasato and outstanding freshman Jim Ruffalo.

# Girls Track Anticipate Great Season

There are twelve returning letterpersons from last year. With these gals as our nucleus, the 1981 team expects to do as well as last year in League when they captured 2nd place.

Highlighting this year's squad are sprinters Sharon Bartak and Denise Barker in the 100 yard dash in the 440 relay, long jumper Tiger Lee, Judy Nunes in the discus and hurdlers Karen Neblett, Noelle Williams and Tracy Escovedo.

The Wildcats highest hopes for CIF Qualifiers are Karen Neblett in the 100 and 330 yard low hurdles, Elisa Cooks in the High Jump, and the Long Jump and Yevette Cantu in the two mile event.

With all these CIF hopefuls, the girls track team anticipates an excellent season.

## Junior Varsity Baseball Does Well

The Junior Varsity Baseball team was extremely well. The league was extremely close. The coach said their toughest game was against Edgewood. Wilson won both games, but the scores were close with 1-0 and 3-2 with extra innings. The team had many good players. Brian Willis with a batting average of .409; Eric Freyre with .348, Tim Gelbraith with .467 and Tommy Tucker with .353. Coach Fiar predicts a first place finish for his team. **Top Right — Back Row:** Tom Janachen, Mike Bayer, Chuckie Trotman, Tim Tucker, Ron Hicks, Eric Freyre, Steve Glaab, Dave Cohn, Jasper Aguirre, Tim Gelbraith. **Front Row:** Moses Flores, Edgar Jimenez, Ron Granger, Brian Willis, Rick Melman, Frank Asch, Sara Soto, Mike Tim Campbell, Rick Edgar. **Middle Right —** Eric Freyre delivers a fast ball for a strike. **Middle Left —** Tom Tucker bunts the ball for a hit. **Bottom Right —** Ron Hicks throws a runner out at first. **Bottom Left — Back Row, Left to Right:** Paul Arruelo, Dave Gagon, Rudy Medina, William Jimenez, Chris Fabrizio, Armando Ramirez, John Jaurget, Scott Kemple. **Front Row:** Rick Hennesse, Mike Shutes, Brad Mack, George Gonzales, John Lombardo, Scott Torrelles, Darrin Struble.

# Love Means Nothing

Pride, teamwork and lots of talent were the main ingredients of the Varsity Boys' Tennis. Coach Milhiser's knowledge of the game provided a guideline for the boys confidence and a professional look on the courts. A tough competitive season is being played by both singles and doubles this year.

*This Page — Top —* Brad Bricken swings low to return a serve. *Bottom Left —* A varsity player swings into motion. *Bottom Right —* Varsity Tennis Team. *Opposite Page — Top Left —* Ken Wong returns a tough serve. *Top Right —* An unidentified player gets set for a serve. *Bottom Left —* Mando Mikhail returns the ball. *Bottom Right —* Mike Mikhail practices his volley

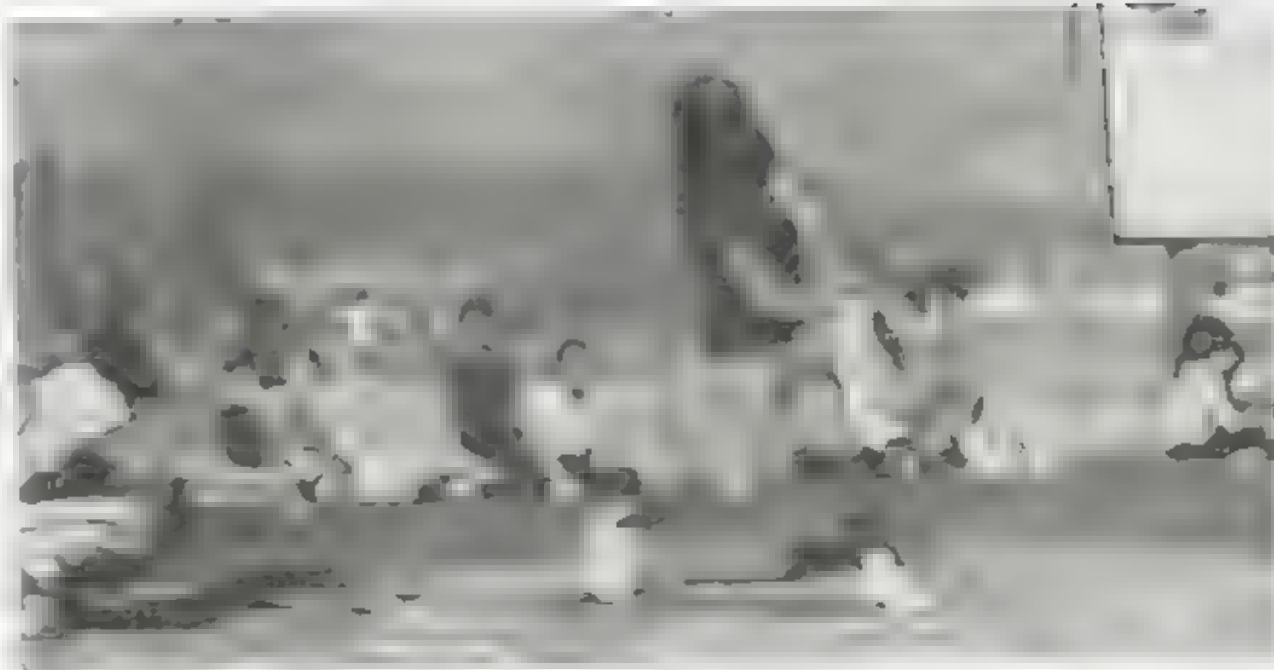

# Softball Will Win

The Varsity softball team entered the Sierra League with a very good chance of winning the title. The team was led by three-year-member Erin Noone, who provided the team's tough defense and hard hitting, along with the fine pitching efforts of junior Jenny Luker and sophomore Paige Neuberger. Also providing the team with strong hitting and defense were juniors, Kelli Hoffer and Delina Delgado and sophomores Julie Curtis and Stacey McEuen.

If their first game has any indication of how the team will fare, the Wildcats will be a tough team to beat. The first game they beat La Puente with a score 9-4.

## Golf Tees Off for League

Even though their season started after this printing, the golf team should have a repeat of last year's successful season. Coach Baucher predicted at least a third place finish in the League. The team will be vying for the League title with Los Altos and Rowland and first place will not be decided until the very end. The team will be led by the strong efforts of Seniors, Joe Myslicki, Darren McClure, Rich Savedra, and Junior, Brad Ward

**Top Right** — Junior Varsity Golf team, James Cahn, Don Bishop, Jack Bloom, Dave Heinrichs and Steve Shipley. **Bottom Right** — Rich Salverda addresses the ball. **Below** — Mark Salazar takes a swing at the ball. **Bottom Left** — Rich Salverda goes for an eagle on the Pomona National Golf Course. **Opposite Page** — **Top Left** — Varsity Golf Team, Mr. Baucher, Mark Salazar, Toby Taylor and Rich Salverda. **Top Right** — Mark Salazar putts the ball. **Bottom Left** — Rich Salverda tries out his new golf club. **Bottom Right** — Mark Salazar watches the ball as he swings

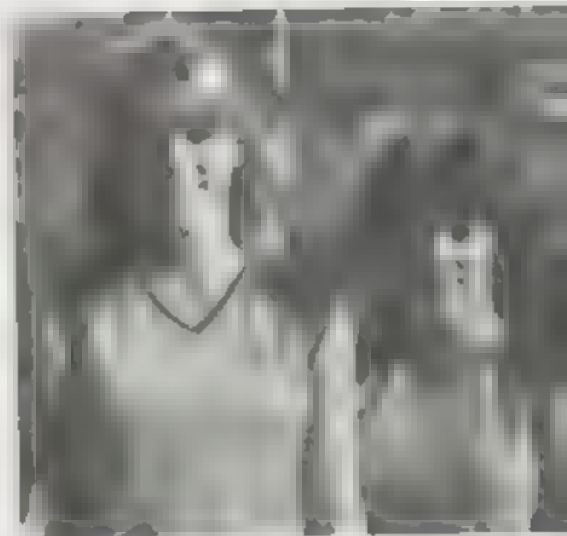

# Cats Keep Coming

Wilson has built many contending teams the past few years and this year was no exception. Teams from wrestling, volleyball, girls tennis, cross country, soccer and water polo

The Girls' Tennis sent Nancy Allison and Kellie Hoffer to doubles competition. They made it past the quarter-finals but were defeated in the semi-finals

Volleyball went to the CIF playoffs for the first time in the schools history and was defeated by a tough Kennedy team.

Cross Country sent their Junior runner Ken Souza to Sierra League Finals where he got first place and ended up in seventh place in CIF. Wrestling sent many wrestlers to CIF and Water Polo went to CIF again like in the past few years. Many teams from Spring sports will go to CIF and may even win it all

**The Open Door to Life Evermore**

"We stay a short time in elementary school,  
Reluctant to go, for we do not know  
Just what "Dark Knowledge" is all about,  
And so we view it with fear and doubt  
Not certain what is around the bend,  
We look on high school as the final end  
To all that made us a mortal being,  
And yet there lies just beyond our seeing  
A beautiful life, so full and complete  
That we should leave with hurrying feet  
To walk with knowledge by sacred streams,  
Amid beauty and peace beyond our dreams —  
For all who believe in working hard,  
Have been assured of this reward  
And high school to them is just graduation,  
For life in school is a transient affair,  
Just a few brief years in which to prepare,  
For a life that is free from pain and tears  
Where time is only the method God chose,  
To colonize students with the mind of those,  
Who by their apprenticeship on earth  
Proved worthy to swell in the land of new work —  
So school is not sad . . . it's a time of elation,  
A joyous transition . . . the mind's emigration  
Into a place where the mind's Safe and Free  
To live with others through ETERNITY."

"My senior year is like a dream come true. I've been waiting for this year to come, and it's finally here. I remember my freshman year, coming to school on the first day and seeing all the seniors. The impressions they made on me were tremendous. They made me feel inferior. Now that I'm a senior, I have a different perspective towards underclassmen. Whenever I see a freshman, I say, 'Was I like that?'" My feelings are mixed now. I'm happy, and yet I'm sad about leaving my friends and school. I'm really scared because after graduation, I know that my life will be just beginning.

It is a time that we have achieved a great deal. It is the time when our family and friends witness the presentation of diplomas. It is a time when we have worked so hard for. Most important of all, graduation is a time for commencement and reflection.

It is a time when we begin a new beginning. A new chapter is being added to the book of our lives. It has steered us in a new direction toward our set goal. A goal that we have reached the goal of man in these few days.

A goal that we have to build a better world. A goal that we have to build a better world. A goal that we have to build a better world. A goal that we have to build a better world.

There will be many more things to do. There will be many more things to do. There will be many more things to do. There will be many more things to do.

This club combines the ideas of doing service for the community and school, preparing students for the future and leadership roles, and having a good time along the way. Although the Key Club is affiliated nationally, and internationally, most activities take place at the local school. Each year the Key Club International Board of Trustees suggests a task or theme to follow. We are to "Dare to Influence" our peers who are confused or need help. This task has been met throughout the state and country through programs concerned with drug abuse, teen pregnancy, V D and vandalism.

Our club has worked the past year with the Muscular Dystrophy Association (MDA) at their Labor Day Telethon, and other numerous fundraisers. Other groups that have had aid from our club include, the March of Dimes and Christian Children's Fund. Members here develop relationships with Kiwanis sponsors that bridge and aid both groups through friendships and experience. The Key Club has and will continue to touch and fulfill all of those people who believe in it and work for it.

# Just One Big Happy Family

If you're wondering why we chose this headline for the annual staff page, it's because when times grew closer, the tension would build until our advisor, Mr. Besse would remind us, "Now, now, we're all supposed to be one big happy family," and like most other groups and organizations who work closely together a certain understanding develops so that everyone knows what everyone else is going through and tries to help them.

Summer Camp, various parties throughout the year, and finally holding the annual in your hands seems to make it all worthwhile. It's the same feeling a football player feels after winning a game or the pleasing feeling a club gets after a successful fund raiser.

We all work to make the book a great one and hope that you share in our enthusiasm and pride in our school.

**Right** — Jody Gibson, Alice Hall and Becky Brooke enjoy the luxury of Mr. Besse's jacuzzi. **Bottom Left** — Carlin Tong samples some of the goodies. **Bottom Right** — Amy Cutler takes the lay-away plan a little too seriously. **Opposite Page Top Left** — The 1980-1981 Annual Staff. **Row 1:** Peter Yendunian, Amy Cutler, Jeff Leavitt, Becky Brooke, Carlin Tong. **Row 2:** Laura Griego, Andrea Bonafede, Kirsten Kentfield, Brian McMurray, Jody Gibson, Alice Hall. **Camera Shy** — Leslie Hurt, Maria Dominguez, Lorie Gibson, Sandy Bouman, Lee Arsenian, Evelyn Ward. **Top Right** — Mr. Besse quenches his thirst with a little 7-UP while Laura Griego finishes the last of the pretzels. **Middle Left** — Jody Gibson, Kirsten Kentfield, Andrea Bonafede, Becky Brooke and Alice Hall give their weary feet a rest while touring through Roger's Gardens in New Port. **Middle Right** — Amy Cutler tries to decide who is a better photographer, Peter Yendunian or Jeff Leavitt. **Bottom Left** — **Front:** Jody Gibson. **Back:** Kirsten Kentfield, Amy Cutler and Maria Dominguez strike a Hollywood pose in Annual Staff. **Bottom Right** — Andrea Bonafede, Jody Gibson, Alice Hall enjoy a leisurely afternoon by Mr. Besse's pool.

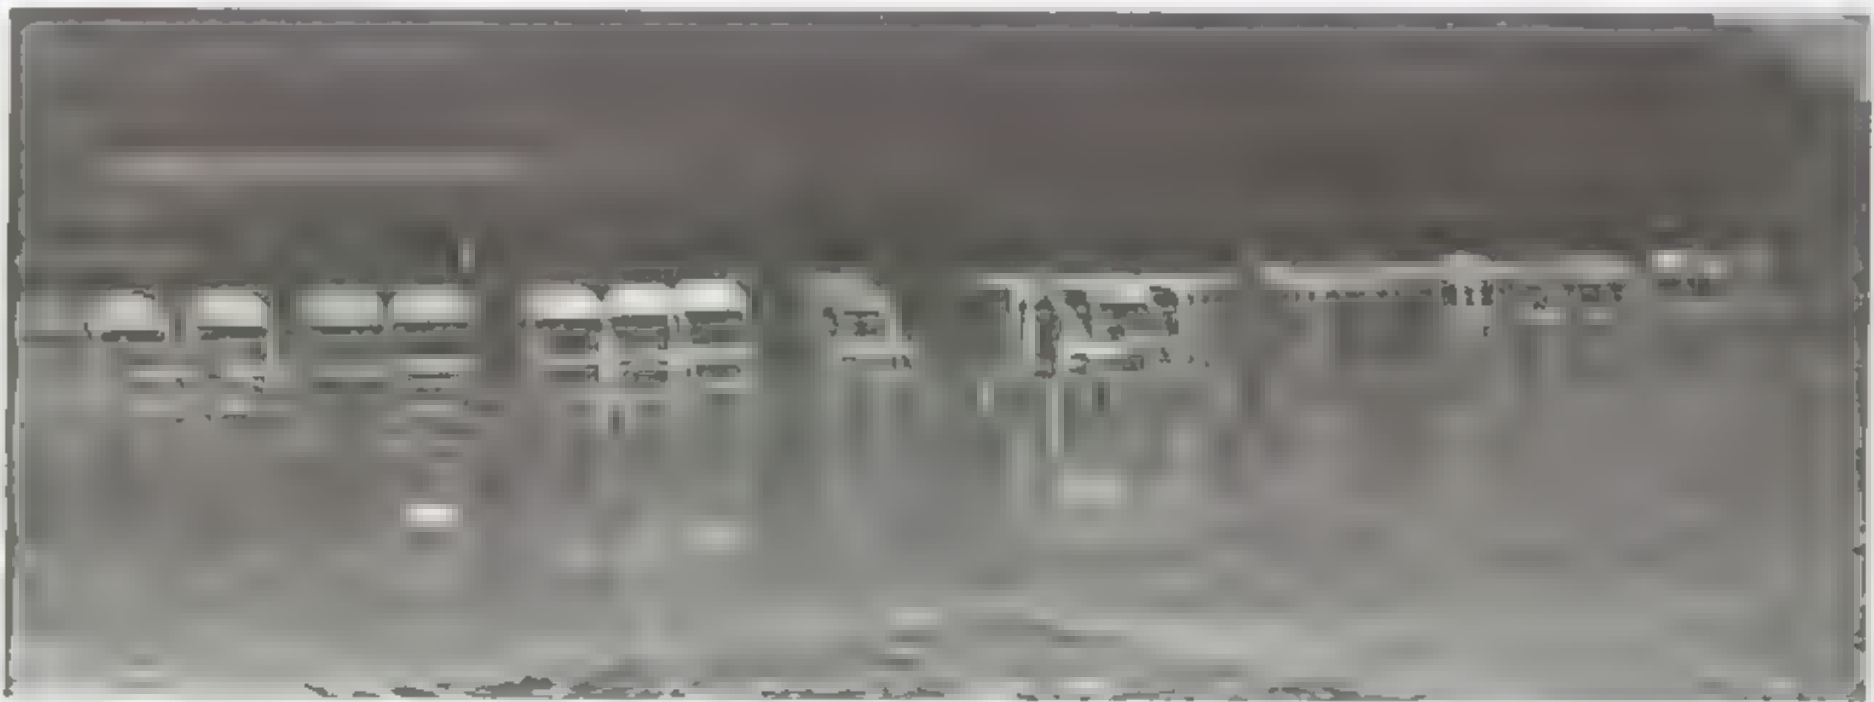

*Only for the moment ...*

*... and then the moment's gone.*

Now that the yearbook is complete, I would like to express my deep appreciation to all the people who helped to make this annual possible, such as photographers, Dave Reed, Manny Limon, and Donnie Belcher, who took time out of their busy schedule to take many last minute pictures for us; Mr. Wong, who let us use his dark room time after time; Mr. Bob Marlin, who has spent many hours taking and re-taking photos (for example, the '81 picture) for us; Mr. Corey Mundwilder, for helping to design our cover and also for answering all of our advisor's many questions right in the middle of a dinner party; Mrs. Jane Parmer, the best friend an editor ever had; and last but not least our ever-faithful advisor, Mr. H. A. Besse, for understanding us (sometimes), and

for always being there in times of trouble.

To all of you I am deeply indebted and I will always remember you.

Sincerely yours,

*India Bonafede*
